TO WHOM IT MAY CONCERN

It is certified that **Mr. Ayub Khan** remained my student for the last four years. He was one of the brilliant students of the class. I have taught him different subjects like Computer Organization and Architecture, Networking etc. He was excellent in all of my subjects. He has always completed his assignments in time.

Mr. Ayub Khan also took interest in the extracurricular activities in the University. He played leading role in tours, competitions and exhibitions arrangements. He was a responsible student of the class.

During this period he behaved very nicely with teachers, other class fellows and me. All of us were very satisfied with his behavior.

Looking to his ability and hard work during the four years, I believe that he can be trusted upon for any assigned task. I believe that he will not disappoint any who trusts upon him.

I wish him a bright future.
