University of Padova - Department of Mathematics “Tullio Levi-Civita”
Selection announcement for the awarding of n. 5 Research Grants
in the framework of the Young Investigator Training Program
funded by ACRI (Associazione di Fondazioni e Casse di Risparmio Spa)

Candidates shall also refer to the forms and documentation related to the selection announcement available at the link hereunder:
http://www.math.unipd.it/it/ricerca/bandi-concorsi/

A selection announcement has been published for the awarding of no. 5 research grants, for young researchers belonging to the European and non-European areas, for research activities for the Department of Mathematics “Tullio Levi-Civita” under the supervision of prof. Tiziano Vargiolo, Research Project Supervisor.
The activities will have to be carried out in one of the research centers participating in the program and under the supervision of referents below reported:

Each research grant shall last for no. 1 (one) month.
The amount of each grant shall be respectively of € 2.764,00 for young researchers belonging to the European area and of € 3.686,00 for young researchers belonging to the non-European area and will be paid once at the end of the research activity.
The candidates shall carry out the following activities:
- Participation to the Conference “Energy Finance Italia 3 Workshop”, University of Chieti-
Pescara "Gabriele D'Annunzio" – Economics Department during the period 15.02.2018 – 16.02.2018 and research activity on the subject submitted to the conference;
- Development and consolidation of relationships with Italian research groups, for the achievement of programs of common interest together with the host centers during the period 15.02.2018 - 15.04.2018.

ADMISSION REQUIREMENTS
  o a three-year undergraduate degree (D.M. 509/1999 or D.M. 279/2004)
  o Age not more than 39 years at the expiration date of announcement;
  o to be affiliated in a non-Italian, public or private research institution;
  o submission of a research paper to the Scientific Committee of the Conference “Energy Finance Italia 3 Workshop”, Pescara, 15-16 February 2018;
  o any other document or qualification.

The eligibility of qualifications awarded abroad will be verified by the Selection Committee.

Incompatibility
Grants within this announcement may not be combined with fellowships of any other kind, with the exception of those awarded by other institutions to integrate, the specific research activities required by this announcement.

Procedures for submission of application form
The deadline for submitting the application form is 29 January 2018 at 12:00 (midday).
In the application form the candidate have to indicate the Hosting Research Center where he intends to carry out the research activity, expressing a minimum of no. 3 and a maximum of no. 5 preferences.
The application form is available at the link above and can be submitted alternatively as follows:
• by certified e-mail (PEC) at the address dipartimento.math@pec.unipd.it signed with digital signature on all the documents;
• by certified e-mail (PEC) at the address dipartimento.math@pec.unipd.it sending a copy of the application with autograph signature, together with a copy of the identity document of the subscriber. The copies of these documents must be scanned;
• by e-mail at the address dipmath@math.unipd.it sending a copy of the application with autograph signature, together with a copy of the identity document of the subscriber. The copies of these documents must be scanned.

For applications sent by certified e-mail (PEC) the return receipt will be sent automatically by the PEC manager; while for applications sent by e-mail the return receipt will be sent by the Department of Mathematics Secretariat.

The candidate will have to indicate on the object of the message the following: "Bando di selezione per il conferimento di n. 5 Premi di ricerca - "Young Investigator Training Program".

Telematic submission requires static formats and not directly modifiable, without macro instructions and executable codes, PDF/A format is suitable. In any case, the maximum files size is 50 MB.
Applications received after deadline will not be accepted.

Applications must include:
- a photocopy of a valid identity document (Identity Card or Passport);
- a dated and signed scientific CV;
- any letters of reference;
- paper submitted to the Conference;
- any other document, qualification or publication useful for the selection process.

Selection procedure
Candidates’ applications shall be evaluated by a Selection Committee that will be nominated in accordance with the University of Padova’s current regulations and ACRI funding project on the basis of their qualifications.
Prior to assessing candidates, the Selection Committee shall establish the maximum score, criteria and the procedure to be used in evaluating qualifications.
At the end of the selection process, the Selection Committee shall send the report to the Head of the Department for approval.
After verifying the legality of the deeds, the Head of Department shall approve by decree the ranking order and the awarding of the research grants.
The result of selection will be published on the Department’s web page at the following address [http://www.math.unipd.it/it/ricerca/bandi-concorsi/](http://www.math.unipd.it/it/ricerca/bandi-concorsi/).
The winners will receive the assignment communication by e-mail, at the e-mail address indicated on the application.

Processing of personal data
In accordance with Legislative Decree no. 196 dated 30 June 2003 and s.m.i, it is hereby stated that any data provided, in print or electronic format, shall be handled only for the purposes of this announcement and the entering into and managing of the relationship with the University.

The person responsible for administrative proceedings
In accordance with Art. 5 of Law no. 241 dated 7 August 1990, the person responsible for the selection process (RPA) is Cinzia Clemente who can be reached at the Department of Mathematics “Tullio Levi-Civita”, at the e-mail address cinzia.clemente@unipd.it and telephone no. +39 049 8271440.

Final provisions
For anything not specified in this selection announcement, see the University of Padova’s current regulations regarding the awarding for research fellowships.

Padova, 22 gennaio 2018

The Head of Department of Mathematics “Tullio Levi-Civita”
Prof. Marco Ferrante
