Prot. ....661........ - Tit. ....III..... Cl. ...12.. - Fasc. ....3..............

FIRST CALL FOR APPLICATIONS FOR 2 SCHOLARSHIPS FOR STUDENTS ENROLLING TO COMPUTER SCIENCE MASTER'S DEGREE (n.3/2023)

"Premi di studio WEGG in memoria di Marcello Molinari"

Foreword: The official source of the Call is Bando di concorso nr. 3/2023 per l'assegnazione di 2 premi per l'iscrizione alla laurea magistrale in Computer Science "Premi di studio WEGG in memoria di Marcello Molinari". Prima edizione in Italian. This translated version is intended only for a better comprehension. For legal purposes, the parties should refer only to the Italian version of the Call.

1.1. Condition required to participate to the selection

Candidates must have the following requirements:

- for candidates with an Italian educational qualification:
  - having a three years Italian degree in the class/es of "L-31 -Scienze e tecnologie informatiche" or "L-8 - Ingegneria dell'informazione" or "L-35 - Scienze Matematiche" or "L-41 - Statistica" o "L-30 Scienze e Tecnologie Fisiche" ex DM 270/04 or in the class/es "26 - Scienze e tecnologie informatiche" o "9 - Ingegneria dell'informazione" o "32 - Scienze Matematiche" o "37 Scienze Statistiche" o "25 Scienze e Tecnologie Fisiche" ex DM 509/99,
  - have gained at least 20 CFU at least in the following Scientific-Disciplinary Sectors (SSD): INF/01; ING-INF/05;
  - minimum grade equivalent to 100/110;
- for candidates with a foreign qualification:
  - a minimum three-year undergraduate degree (or equivalent) in Computer Science, Information Engineering or related fields (e.g., Mathematics or Statistics) is required, with proven skills in computer science.
  - minimum grade equivalent to 100/110;
- engage to enroll in the a.y. 2023/2024 at the Master's degree in Computer Science of the University of Padua;
- possess a European citizenship or residency or study visa in Italy;
- not being winner of any other scholarships, except for those awarded by Italian or foreign institutions with the aim to integrate either student education or research activity by means of periods abroad;
- absence of criminal convictions or penal proceedings in progress.

Students who have previously received sanctions following the presentation of false declarations aimed at obtaining benefits for the right to study are not allowed to apply.

1.2 Admission requirements for students who have not yet obtained the bachelor's degree
Students who do not hold the required academic qualification at the time of the application, may still apply in case that they will obtain the Degree by the **December 31st, 2023**. In this case students must have a minimum weighted average of 27 or equivalent for non-italian degrees.

2. Application procedure and Form
The application form, in plain paper, must follow the template that accompanies the present announcement (attached A). It must be duly signed by the candidate and sent to the Department of Mathematics "Tullio Levi-Civita".

It must be submitted no later than **12:00 pm (CEST)** on **October 2, 2023** in one of the following forms:

- by certified e-mail (PEC) at the address **dipartimento.math@pec.unipd.it** signed with digital signature on all the documents;
- by certified e-mail (PEC) at the address **dipartimento.math@pec.unipd.it** sending a copy of the application with autograph signature, together with a copy of the identity document of the subscriber. Copies of these documents must be scanned;
- by e-mail at the address **premilm@math.unipd.it** sending a copy of the application with autograph signature, together with a copy of the identity document of the subscriber. Copies of these documents must be scanned.

For applications sent by certified e-mail (PEC) the return receipt will be sent automatically by the PEC manager; whereas for applications sent by e-mail, the return receipt will be sent by the Department of Mathematics.

The candidate shall indicate on the message object the following: "*Bando di concorso nr 3/2023 per l'assegnazione dei Premi di Studio*".

Electronic submission must be in static formats and not directly modifiable, without macroinstructions and executable codes, PDF/A format is suitable.

Applications received after the deadline will not be accepted.

The application form template is also available at the link https://www.math.unipd.it/dipartimento/amministrazione-trasparente/sovvenzioni-contributi-sussidi-vantaggi-economici/premi-di-studio/

The candidate must declare under his own responsibility:

- surname and name, place and date of birth, citizenship, tax code, residence address and address chosen for the purpose of this announcement, specifying zip code, telephone number, e-mail;
- to possess the admission requirements;
- to promptly communicate any change in residence or address indicated in the application form;
- to have never received sanctions caused by false declarations in the attempt to obtain unwarranted benefits for his education;
- to be aware of and to accept all the rules included in the announcement.

Applications must include:

- a copy of a valid identity document (Identity Card or Passport);
- a dated and signed detailed CV;
- any document concerning previous university career, including marks obtained in individual exams with translation into English or Italian for foreign transcripts;
- any other document, qualification or publication useful for the selection process.

Incomplete applications, filled out illegibly, or that do not fully meet the required conditions will not be taken into consideration. Participation in the announcement implies full acceptance of this regulation. False documents and statements imply the exclusion from the competition or the right of recourse/refund in the case of scholarship already assigned.

3. Selection procedure and communication to winners
The Department of Mathematics "Tullio Levi-Civita" of the University of Padova will verify the respect of the announcement requirements.

A student shall not be considered properly enrolled if she/he does not fulfil the university fees obligations.

Scholarships shall be assigned by a Selection Committee, nominated by the Director of the Department of Mathematics.

The Selection Committee shall consider the following standards:

- scholastic merits: average achieved in the three-year course;
- information about the academic career;
- other elements included in the curriculum vitae and in other attached documents;
- possible interview in person or by zoom. Candidates will be notified at least 15 days in advance an interview is planned, and it will be be:

- three-year thesis project;
- candidate's motivations;
- knowledge of the basic subjects of the Bachelor's Degree.

For the evaluation of the interview it will be taken into consideration:

- quality of three-year thesis project;
- depth of candidate's motivations';
- proficiency on the basic teaching activities.

On the basis of the documents presented by the candidates and of the possible interview, the Committee shall assign the scholarship. The decision of the Commission is unquestionable and there is no appeal against it.

The Committee has the right not to award the scholarships. This can happen either if the commission finds that no candidate is deemed worth to receive the fellowship or in case of loss of financial coverage.

The provisional selection result shall be published on the web site of the Department of Mathematics, at the address https://www.math.unipd.it/dipartimento/amministrazione-trasparente/sovvenzioni-contributi-sussidi-vantaggi-economici/premi-di-studio/ and on the web site of the University of Padua, at the address https://www.unipd.it/premi-studio-studenti .
The winners shall receive communication by e-mail, at the address indicated in the application. The final selection results shall be published on the web site of the Department of Mathematics, at the address https://www.math.unipd.it/dipartimento/amministrazione-trasparente/sovvenzioni-contributi-sussidi-vantaggi-economici/premi-di-studio/ and on the web site of the University of Padova, at the address https://www.unipd.it/premi-studio-studenti .

4. Scholarships amount, terms of payment and renewal conditions
The gross amount of each scholarship is €2,500 and will be paid in one lump sum by the Department of Mathematics "Tullio Levi Civita".

5. Personal data
The processing of personal data provided by candidates takes place in compliance with the provisions of EU Regulation 04.27.2016 n. 679 (General Data Protection Regulation - GDPR). The complete information on the processing of personal data is available at the following link https://www.unipd.it/privacy

6. General Information

This announcement is available on the website of the Department of Mathematics, at the address https://www.math.unipd.it/dipartimento/amministrazione-trasparente/sovvenzioni-contributi-sussidi-vantaggi-economici/premi-di-studio/ and on the website of the University of Padua, at the address: https://www.unipd.it/premi-studio-studenti.

Further information can be required to the Secretariat of the Department of Mathematics "Tullio Levi-Civita" by mail at the address premilm@math.unipd.it indicating as object "*Richiesta informazioni bando di concorso nr. 3/2023 Premi di Studio WEGG – Computer Science*".
