

Research project template

Please write your research statement in English according to the following template.

Name of the proponent

Title of the research project

Name of a contact person in our Department who is most close to the topics of the project.

Abstract (up to approx. 4000 characters).

Full description of the research project (up to approx. 16000 characters). The statement should explicitly mention which are the expected results after one year and at the end of the project.

Note: please save your file in .pdf format. You can write your statement using LaTeX as well. Remember to upload this document in the section “Other Attachments” of the application form, available at: <https://pica.cineca.it/unipd/> ;
