

RoDeO on the Road

"...to keep alive the flame of curiosity"

A series of informal seminars dealing with the applications of mathematics to social science. Rodeo on the Road is jointly organized by the probability group of the department of Mathematics (Padova) and the mathematicians at Ca' Foscari University (Venezia).

Tuesday, April 28, 2015 - h. 14.30

Massimo Warglien (Venezia)

A "grammar" of novelty?

Sala riunioni (7th floor - B), Torre Archimede - Padova
