# Master degree program in **Mathematical Engineering**

## OPEN DAY

Wednesday, June 7, 2023 - 11.30-13.00

Aula IP – Complesso Ingegneria

Via Marzolo 9 - Padova

### MATHEMATICAL MODELING IN SUPPORT OF ENGINEERING AND SCIENCE

#### The Mathematical Engineering academic staff meet with undergraduate students

The open day aims to illustrate the large spectrum of opportunities that the Master Degree in Mathematical Engineering (ME) offers in a highly globalized and rapidly changing job market.

The Academic staff will present the organization of the courses and their formative objectives.

Current master's students will answer questions from prospective students interested in the master's program
