EMMA West (Lot 11 except Philippines) Student Application Form

This is the Application Form for **candidates** currently located in one of the following countries: **Bangladesh, India, Nepal** or **Pakistan**. Notice that candidates from **Philippines** should use their specific application form. Please read [Student Mobility Requirements](#) first and have it available while filling in your application.

Browse through the different pages by clicking on the tabs in the menu header. Fields marked with a bullet are obligatory. In order to save the entered values, you have to click on the pencil situated to the right of each field. You can always quit and later return to your stored data by using your login and password. If you want to upload a document copy consisting of several page scans, please upload it as a single pdf-file or grouped into a single zipped folder. After completion of all obligatory fields, a button will appear, allowing you to formally submit your application.

	Teachinf: Good
Other Language 3	PushtoEnglish (Reading: Good, Writing: Fair, Teachinf: Good

3.3 Have you checked and do you have sufficient knowledge of the language of instruction of the programme at the host university?

I checked: YES

4. Mobility Project

4.1 Please select your current home institution and determine your Target Group (TG).

Home Institution - OTHER -

If you selected an institution from the previous choice list you belong to Target Group 1 (TG1). If you selected 'OTHER' (your home institution is NOT in the previous choice list) you belong to Target Group 2 (TG2) and you must enter your home institution below

Home Institution (TG2) School of Electrical Engineering & Computer
Science, National University of Science &
Technology(NUST) H-12, Islambad

If you feel that you belong to a vulnerable group (i.e. refugee, displaced population, disabled foreign students, economically disadvantaged groups and indigenous populations etc) then you may additionnaly belong to Target Group 3 (TG3)

Do you belong to Target Group 3
(TG3)? YES

If you selected YES in the previous field, please explain your situation below

TG3 Information:

4.2 Please select the appropriate academic level and desired mobility duration according to your target group (TG).

Level and duration Master - 22 months (TG2)

Should there be no scholarship left for the desired duration after academic selection of the applicants, are you prepared to receive a scholarship for a shorter mobility period? (of course within the same academic level). Please note that answering 'yes' to this question will not diminish your selection chances for the mobility period of your first choice.

Mobility duration shift: YES

4.3 Please select the type of mobility you are applying for.

Degree seeking YES

If you choose NO for the previous field it means that you apply as exchange student. Thus, you must upload a prelearning agreement signed and stamped by your home institution.

Learning Agreement -

4.4 Please select your subject of study at the HOST university from the list defined by the European Commission.

To check the areas of study and disciplines offered by the host universities, please visit [this page](#)

Subject of Study in Host University: 06.9 Others - Engineering, Technology

4.5 Please select the host institution of your preference.

For each choice please add, if applicable, the reference of the related Bilateral Mobility Project (BMP). You can check the [current list](#) of available BMPs

First choice host in EU: Padua University (Italy)

BMP At Host 1

Indicating a second choice institution is not compulsory. However, doing so might still get you selected for the second choice institution, should you not be retained for the first, based on academic grounds.

Second choice host in EU: University of Evora (Portugal)

BMP At Host 2

5. Recommendation and Motivation

5.1 Please add at least one signed recommendation letter (preferably in PDF).

The letter should be written in English by an academic directly involved with your study or activity at your home institution. (*a non-English original, accompanied by a translation into English, is also valid)*

Recommendation letter 1 [Recommendation.docx](#) _

Recommendation letter 2 -

Recommendation letter 3 -

Please confirm you uploaded at least one recommendation letter.

Confirm one letter: NO

5.2 Please write your motivation letter for your host universities.

Please give more information about the courses you would like to study or the research you would like to do. The motivation letters will be read by the relevant professors at the host universities. It is important for them to have a clear idea about what you plan to do at the host university.

Motivation letter for first choice host university: Becuse the environment of pervasive computing and security in most in Italy univertsities are very productive, and these institutions provide me solid basis for further research and development. The labs and faculty in Italy are so co-operative that this place becamas as an ideal place for research.

Motivation for second choice host university: Many best universties are located here in this country, which produduces greater amount of stutents in all fields of science and technology, that not only serve the nation but the totall humanity. That is why i want to come there and use my skills.

5.3 Should you wish to upload any other document relevant to your application, please do so here.

Document description: Area Of Interst

Document file: [Areas of interest.docx](#) _

Should you have any final comment or information you would like to pass on before submitting your application, please fill in below

Final comment:

5.4 Personal Statements
