On abstract set-convergences

**Alois Lechicki
Fürth, Germany**

This lecture deals with some abstract concepts of set-convergences. One of our principal interests is to establish connections between these convergences and classical ones, e.g. Vietoris or Hausdorff convergence.

2000 Mathematics Subject Classification. 54B20, 54A20.

Key words and phrases. Set-convergences, Vietoris convergence, Hausdorff convergence.
