MongoDB as an Admin Platform [MaaP]

The screenshot shows the MaaP web interface. At the top, a dark header bar contains the 'MaaP' logo on the left and 'Login' and 'Sign up' links on the right. The main content area is white and features a 'Login' heading. Below this is a light gray box containing the login form. The form has two input fields: 'Email address' with a placeholder 'Enter email' and a user icon, and 'Password' with a placeholder 'Enter Password' and a lock icon. A green 'Login' button is positioned below these fields. A link for 'Forgot your password?' is located at the bottom of the form box. The footer is a light gray bar with three items: 'Need help?' with a question mark icon, 'Report a problem' with a speech bubble icon, 'Generated with MaaP v.1.0.0', and 'Made with ♥ by SteakHolders'.
